

**Appendix 17**  
to the Programme Guidelines of the Philipp Schwartz Initiative

**Philipp Schwartz Initiative of the Alexander von Humboldt Foundation**  
**Substantive report on the extension period**  
**- Humboldt extension period -**

(As of 6 November 2017)

---

**A. Use of funds and detailed report on the outcome achieved**

The substantive report covers the first phase financed by the Alexander von Humboldt Foundation (Humboldt extension period). The report must detail the use of funds as well as the outcomes achieved. Please answer the following questions using no more than 3 pages.

1. What time period was covered by the Humboldt extension?
2. Describe the plans you implemented to further develop the fellow's academic and career perspectives during the Humboldt extension period.
3. Describe the fellow's academic and career prospects upon completion of the Humboldt extension period compared to the start of the extension period.
