

# Application ComLab#10

## Video Guidelines

### TECHNICAL DETAILS

Please make sure to follow these guidelines when filming your application video:

- You don't necessarily need to use a camera to record your video, a smart phone works just fine.
- Please record the video in landscape/horizontal format (16:9 – rectangular, no square frames).
- Choose a well-lit setting, no backlight please.
- Find a quiet spot for the recording. Avoid loud and distracting background noise.
- File formats: mp4, mov, avi, mpeg
- Length: approx. one minute

Please send the material, ideally via <https://wetransfer.com/> download link, to [comlab@avh.de](mailto:comlab@avh.de).

### CONTENT

Please make sure to cover the following information in your video:

- Your name, country of origin, current residence, discipline / work focus
- Please answer the following questions:
  - Why would you like to be part of ComLab?
  - What can you contribute to ComLab#10?
  - Which aspects/focal point of the Lab are you most interested in?

For more information on the Communication Lab please visit our website:
