

List of questions

for references from international collaborative partners
for applications to the Henriette Herz Scouting Programme

Please state your full name, title and position and the name of your institution (including location and country) as well as the name of the applicant for whom you are submitting the statement.

Please sign and date your statement. It will be forwarded to independent peer reviewers and the relevant selection committee and, as such, will directly influence the assessment and outcome of the application. We shall thus be very grateful if you write your statement either in German or English. We greatly appreciate your cooperation.

Questions you should address in your statement:

- 1. How long have you known the applicant; in what function have you known them and how intensively have you worked together?**
- 2. How do you rate the quality and innovativeness of the applicant's scientific research? Have you produced joint scientific publications?**
- 3. How, in your opinion, does the applicant contribute to promoting (international) junior researchers?**
- 4. Are there any other aspects you consider to be of relevance for the decision on the application?**
