## Your Motivation

We would like to get to know you not just in writing: **Please record a video, introducing yourself and telling us why you think you are the right person to take part in this programme.** Feel free to demonstrate your personality and creativity in the video!

Whilst production quality will not be a criterion on which we will evaluate the videos, please ensure your recording fulfils the following guidelines:

- You don't necessarily need to use a camera to record your video, a smart phone with a good-quality camera works equally well.
- Choose a well-lit setting, no backlight. Try to avoid shadows and white light.
- Find a quiet spot for the recording. Avoid loud and distracting background noise.
- Please record the video in **landscape/horizontal format** (16:9).
- File formats: mp4, mov, avi, mpeg
- **Length: 60 seconds.**

Upload the video on Smash (<https://fromsmash.com/>) and share the link here:
