This event may be open to select members of the press. A photographer commissioned by the Alexander von Humboldt Foundation will be taking photographs. These may be published by the Humboldt Foundation for the purpose of information and public relations work as well as on the foundation's internal social network. They will not be used for commercial purposes. If you do not agree with the publication of photographs in which you can be recognized, please inform us no later than 15 April 2017 at schwartz-initiative@avh.de.

Participation takes place at your own risk. Neither the Alexander von Humboldt Foundation nor Conventus GmbH can be held liable for any losses, accidents or damages, irrespective of their cause, to people and property during the travel to and from as well as during the conference and all accompanying events. By registering for this event, you accept these terms and conditions.
