* The list of developing countries is based on the information of the Development Assistance Committee (DAC) of the OECD. The PR of China and India have been excluded from this list. As Antigua and Barbuda, Chile und Uruguay exceeded the high income country threshold in 2012 and 2013 and will most likely graduate from this list, applications from these countries are no longer accepted.

**Scientists from Brazil may be nominated for the Georg Forster Research Award. In the Fellowship Programme, researchers from Brazil can only apply for a [Capes-Humboldt Research Fellowship](#) for the time being.

As of May 2017
