

List of questions

for letters of recommendation for applications for International Climate Protection Fellowships

Please state your full name, title and position and the name of your institution (including location and country) as well as the name of the applicant for whom you are submitting the letter of recommendation.

Please sign and date your letter of recommendation. It will be forwarded to the relevant selection committee and, as such, will directly influence the assessment and outcome of the application. We shall thus be very grateful if you write your letter of recommendation either in German or English. We greatly appreciate your cooperation.

Questions you should address in your letter of recommendation:

- 1. How long have you known the applicant, in which capacity is she / he known to you, and how intensively have you worked together?**
- 2. How do you rate the candidate's academic and professional achievements? How do you rate her / his career prospects?**
- 3. How do you rate the applicant's leadership potential?**
- 4. Are there any other aspects you consider to be of relevance to the decision as to whether the applicant should be granted sponsorship?**

You are welcome to send your letter of recommendation to the Alexander von Humboldt Foundation directly by email (scan of original letter of recommendation including letterhead and signature):
